Re: *Marilyn Sanders v. Houslanger & Associates, PLLC, et.al.*  
Civil Action No.: 21-CV-04247

Honorable Madam:

We are writing on behalf of the Defendants, Houslanger & Associates, PLLC and Todd E. Houslanger (or collectively the "Houslanger Defendants") in the above-referenced lawsuit to respectfully request an enlargement of time to respond to Plaintiff's Complaint up to and including April 20, 2022.

Two requests for an enlargement of time to respond was previously made by the Houslanger Defendants upon consent, which was granted by your Honor, the last being on March 11, 2022, which extended the time to April 6, 2022.

As contemplated in the prior requests, the parties have met, conferred and discussed options toward resolution. The last meeting and conference attended by the parties took place on March 30, 2022. The Plaintiff has requested the weekend to consider the settlement offer tendered. This would not leave sufficient time for the Houslanger Defendants to sufficiently respond to the Complaint by April 6, 2022 (2 days later). Therefore, the Plaintiff consents to an additional extension of the Houslanger Defendants' time to respond to the Complaint to April 20, 2022.

We thank the Court for its consideration in this matter.

Very truly yours,

HOUSLANGER & ASSOCIATES, PLLC

Todd E. Houslanger, Esq.
